This Information Statement is being provided solely for informational purposes and not in connection with a vote or other required action of our stockholders.

This Information Statement is first being mailed on or about May 22, 2018 to the holders of record as of the close of business on March 9, 2018 (the “Record Date”) of our common stock, par value \$0.01 per share (“Company Common Stock”), regarding an anticipated change in a majority of the members of our board of directors (the “Board”) in connection with a change in control pursuant to that certain Share Purchase Agreement, dated January 3, 2018 (the “Purchase Agreement”), by and among OMH Holdings, L.P., a Delaware limited partnership managed by affiliates of Apollo Global Management, LLC (“Purchaser”), Springleaf Financial Holdings, LLC, a Delaware limited liability company (“SFH” or “Seller”), and us.

Pursuant to the Purchase Agreement, Seller has agreed to sell to Purchaser, and Purchaser has agreed to purchase from Seller, a total of 54,937,500 shares of Company Common Stock owned by Seller (the “Purchased Shares”), which represents approximately 40.5% of the outstanding shares of Company Common Stock, as of the Record Date, at a purchase price per share of \$26.00, for an aggregate purchase price of approximately \$1,428,375,000 in cash (the “Private Sale”). The closing of the Private Sale (the “Closing”) is expected to occur on or after June 1, 2018 (the “Closing Date”). As contemplated by the Purchase Agreement, effective as of the Closing:

- the size of the Board will be increased to nine (9) directors;

As of the Record Date there were (i) 2,000,000,000 shares of Company Common Stock authorized and 135,678,509 shares of Company Common Stock issued and outstanding and (ii) 300,000,000 shares of Preferred Stock authorized and no shares of Preferred Stock issued and outstanding. Each share of Company Common Stock entitles the holder thereof to one vote on each matter submitted to a vote or consent of the Company’s stockholders. No vote or other action is required by our stockholders in connection with this Information Statement.

CHANGE IN CONTROL

Pursuant to the Purchase Agreement, in connection with the Closing, because of the reconstitution of the Board, as discussed below, there will be a change of control of the Company. As of the Closing, Purchaser will be entitled to designate a number of directors equal to the majority of the Board plus one director (see “*Information Concerning Executive Officers and Directors – Expected Directors Following the Closing*” on page 6) for so long as Purchaser (together with any permitted transferees) beneficially owns at least 33% of the outstanding shares of Company Common Stock and other securities of the Company entitled to vote generally in the election of directors of the Company.

The completion of the Private Sale remains subject to various conditions, including, among others:

- (i) the receipt of certain regulatory approvals and consents, including receipt of approvals, licenses or consents from applicable state regulatory authorities governing consumer lending and insurance in the various states in which the Company and/or any Company subsidiary operates;
- (ii) the execution and delivery of the Amended and Restated Stockholders Agreement, by and between the Company and Purchaser (the “**Amended and Restated Stockholders Agreement**”); and
- (iii) subject to certain materiality exceptions, the accuracy of the representations and warranties made by the Company, Seller and Purchaser and the compliance by each of the Company, Seller and Purchaser with their respective obligations under the Purchase Agreement.

The completion of the Private Sale is not subject to any financing contingency.

There can be no assurance that the Private Sale will be completed.

For more information regarding these matters, see the section of this Information Statement entitled “*Certain Relationships and Related Party Transactions*.”

In addition, in connection with the transactions contemplated by the Purchase Agreement, effective as of the Closing:

CORPORATE GOVERNANCE

Governing Documents

The following primary documents make up the Company’s corporate governance framework:

- Corporate Governance Guidelines (“**Governance Guidelines**”)
- Audit Committee Charter
- Compensation Committee Charter
- Nominating and Corporate Governance (“**NCG**”) Committee Charter
- Compliance Committee Charter
- Code of Business Conduct and Ethics (“**Code of Conduct**”)
- Code of Ethics for the Principal Executive and Senior Financial Officers (“**Principal Officer Code**”)

These documents are accessible on the Company’s website at www.onemainfinancial.com by clicking on “Investor Relations” at the bottom of the webpage and then “Corporate Governance.” You also may obtain a free copy of any of these documents by sending a written request to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. We intend to disclose any material amendments to or waivers of our Code of Conduct and Principal Officer Code requiring disclosure under applicable SEC or NYSE rules on our website within four business days of the date of any such amendment or waiver in lieu of filing a Current Report on Form 8-K pursuant to Item 5.05 thereof.

Corporate Governance Guidelines

The Governance Guidelines, which are available on our website as outlined above, set forth the Company’s primary principles and policies regarding corporate governance. The Governance Guidelines are reviewed from time to time as deemed appropriate by the Board. The Governance Guidelines are supplemented by the Code of Conduct and the Principal Officer Code, as well as by policies and procedures addressing specific topics and practices.

Codes of Business Conduct and Ethics

The Board adopted a Code of Conduct to help ensure that the Company abides by applicable laws and corporate governance standards. This code applies to all directors, employees and officers, including our Chief Executive Officer (“**CEO**”), Chief Financial Officer (“**CFO**”), Principal Accounting Officer and Controller. The Board has also adopted a Principal Officer Code that applies to our CEO, CFO, and Principal Accounting Officer. The Code of Conduct and the Principal Officer Code are available on our website as outlined above.

Board’s Role in Risk Oversight

While management is responsible for day-to-day risk management of the Company’s operations, the Board is responsible for overseeing enterprise-wide risks. The Board uses its standing committees (more fully discussed below) to monitor and address what may be within the scope of each committee’s expertise or charter. For example, the Audit Committee oversees the financial statements, accounting and auditing functions and related risk; the Compensation Committee oversees the Company’s compensation programs, including goals, objectives, performance and compensation for our CEO and other executive officers, and the compensation disclosure in proxy statements; and the NCG Committee oversees director qualifications, Board structure and corporate governance matters. The Board also has created (i) a Compliance Committee to oversee regulatory compliance matters and risks relating to the Company’s operations and business, which provides regular reports to the Board, and (ii) a Transaction Committee formed for the purpose of evaluating strategic alternatives and consisting solely of independent directors. In addition to

getting information from its committees, the Board also receives updates directly from members of management. In this regard, Mr. Levine, due to his position as both CEO and director of the Company, is particularly important in communicating with other members of management and keeping the Board updated on the important aspects of the Company's operations.

Independent Directors

The Company recognizes the importance of having an independent Board that is accountable to the Company and its stockholders. Accordingly, the Governance Guidelines (a copy of which may be found in the

14

"Investor Relations—Corporate Governance" section of the Company's website) provide that a majority of the Board's directors shall be independent in accordance with the NYSE listing standards. Our Board has affirmatively determined that Ms. Kotval and Messrs. Guthrie, Jacobs and Lott are "independent" under Section 303A.02(b) of the NYSE listing standards. In making these determinations, the Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

Our Board has also undertaken a review of the independence of the proposed directors and has affirmatively determined that each of Messrs. Becker, Mamik, Micheline, Sinensky and Smith and Ms. Soranno Keating is "independent" under Section 303A.02(b) of the NYSE listing standards. In making these determinations, the Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards, including without limitation questionnaires submitted by such individuals.

Board, Committee and Annual Meeting Attendance

The Board held sixteen meetings during 2017. Each director attended at least 75% of the total number of meetings of the Board and committees held during the period he or she served, except for Mr. Edens. Mr. Edens' views were represented at the meetings by Mr. Levine. Directors are invited and encouraged, but are not required, to attend the Company's annual meeting of stockholders. One of the Company's directors attended the Company's 2018 Annual Meeting of Stockholders.

Presiding Non-Management Director and Executive Sessions

The Company's non-management and independent directors met in executive session without management five times in 2017. Roy Guthrie is the non-management director appointed to preside at each executive session.

Erkill, Senior Vice President, Deputy General Counsel & Secretary, OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708.

All complaints and concerns will be reviewed under the direction of the Audit Committee and overseen by the General Counsel and other appropriate persons as determined by the Audit Committee. The General Counsel also prepares a periodic summary report of all such communications for the Audit Committee.

Committees of the Board of Directors

The Board has four principal standing committees, the Audit, NCG, Compensation, and Compliance Committees, as well as an Executive Committee and Transaction Committee. The Audit Committee, the NCG Committee and the Compensation Committee consist entirely of non-employee directors, and the Board has determined that each member of these committees is "independent" within the meaning of the NYSE listing standards. Members of the Compliance Committee are not required to be independent directors. Each of the Board's four principal standing committees (i.e., the Audit, NCG, Compensation, and Compliance Committees) operates pursuant to a written charter and each such charter is available on the Company's website at www.onemainfinancial.com and is also available to stockholders upon written request, addressed to OneMain Holdings, Inc., 601 NW Second Street, Evansville, IN 47708, Attention: Secretary.

The Compensation Committee also has the authority to retain and terminate compensation consultants, including approval of the terms and fees of any such arrangement.

Additional information regarding the Compensation Committee's processes and procedures for consideration of director compensation and executive compensation are set forth in the Proxy Statement under "*Executive Compensation—Independent Director Compensation*" and "*Executive Compensation—Compensation Discussion and Analysis*," respectively.

The Compensation Committee may form subcommittees for any purpose that the Compensation Committee deems appropriate and may delegate to such subcommittees such power and authority as the Compensation Committee deems appropriate, except that no subcommittee shall consist of fewer than two members and that the Compensation Committee shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Compensation Committee as a whole.

The members of the Compensation Committee are Messrs. Guthrie (Chair) and Lott. The Board has determined that each member of the Compensation Committee is "independent" within the meaning of the NYSE listing standards.

The Company's management is responsible for the preparation of the Company's consolidated financial statements and the Company's overall financial reporting process. PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, is responsible for expressing opinions on the conformity of the Company's audited consolidated financial statements with GAAP. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also solely responsible for the selection and termination of the Company's independent registered public accounting firm, including the approval of audit fees and any permissible non-audit services provided by and fees paid to the independent registered public accounting firm. See "*Corporate Governance—Committees of the Board—Audit Committee*" above for additional information regarding the role and responsibilities of the Audit Committee.

In connection with the preparation of the Company's consolidated financial statements for the year ended December 31, 2017, the Audit Committee:

- reviewed and discussed the Company's audited consolidated financial statements with management;
- discussed with the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, the matters required to be discussed by Auditing Standard No. 1301—Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (the "**PCAOB**"); and

Criteria and Procedures for Selection of Director Nominees

Although the Board retains ultimate responsibility for nominating members for election to the Board, the NCG Committee of the Board conducts the initial screening and evaluation process. Although there are no minimum qualifications, skills or qualities required to be nominated for election, as provided in the Company's Governance Guidelines, director nominees, including those directors eligible to stand for re-election, are selected based on, among other things, the following factors:

- whether the nominee has demonstrated, by significant accomplishment in his or her field, an ability to make meaningful contributions to the Board's oversight of the business and affairs of the Company;
- the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities;
- experiences, skills and expertise;
- diversity;
- business judgment;
- composition of the Board;
- requirements of applicable laws and NYSE listing standards;
- time availability and dedication; and
- conflicts of interest.

While the NCG Committee has not adopted a formal diversity policy for the selection of director nominees, diversity is one of the factors that the NCG Committee considers in identifying director nominees. In considering diversity, in particular, the NCG Committee considers general principles of diversity in the broadest sense. The

NCG Committee seeks to recommend the nomination of directors who represent different qualities and attributes and a mix of professional and personal backgrounds and experiences that will enhance the quality of the Board's deliberations and oversight of our business.

In conducting the screening and evaluation of potential director nominees, the NCG Committee considers candidates recommended by directors and the Company's management, as well as recommendations from Company stockholders. While the NCG Committee's Charter and our Governance Guidelines provide that the NCG Committee may, if it deems appropriate, establish procedures to be followed by stockholders in submitting recommendations for director candidates, the NCG Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because our Bylaws include procedures for stockholders to nominate candidates to serve on the Board for election at any annual meeting or at any special meeting called for the purpose of electing directors. The Board believes that it is appropriate for the Company not to have a specific policy since stockholders may submit recommendations for director candidates by following the procedures set forth in the Bylaws, as summarized below.

The Bylaws require a stockholder who desires to nominate a candidate for election to the Board at an annual meeting to timely submit certain information to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. This information includes, among other things:

- the stockholder's name and address, and the class, series and number of shares that he or she beneficially owns;
- a representation that the stockholder is a holder of record as of the record date and intends to appear in person or by proxy at the annual meeting;
- the name, address and certain other information regarding the stockholder's nominee for director;
- a description of any arrangement or understanding between the stockholder and the director nominee or any other person (naming such person(s)) in connection with the making of such nomination to the Board; and
- a completed questionnaire with respect to the prospective nominee's background and the background of any other person on whose behalf the nomination is being made, and certain written representations and agreements from such persons concerning their independence and compliance with applicable laws.

To be timely, a stockholder must submit the information required by the Bylaws not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders. The Bylaws include special notice provisions if no annual meeting was held in the previous year, or if the annual meeting is called for a date that is not within 30 days before or after the anniversary date of the preceding annual meeting. While these provisions of the Bylaws permit a stockholder to nominate a candidate for election to the Board, such nominations will be subject to certain rights of SFH discussed below under the caption “*Certain Relationships and Related Party Transactions—Stockholders Agreement.*”

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy and Procedures

Under SEC rules, a related person is an officer, director, nominee for director or beneficial holder of more than 5% of any class of our voting securities or an immediate family member of any of the foregoing. We have adopted a written policy that outlines procedures for approving any transactions in which a related person has a direct or indirect material interest and the aggregate amount involved is expected to exceed \$120,000. As provided in such policy and in the charter of the NCG Committee and except as the Board may otherwise determine from time to time, the NCG Committee is responsible for reviewing and approving in advance (or ratifying, as the case may be) any related party transactions. In determining whether to approve or ratify a related party transaction, the NCG Committee takes into account, among other factors it deems appropriate, benefits to the Company, whether the terms are generally available to unrelated third parties, and the extent of the related party’s interest in the transaction. In addition, the NCG Committee has delegated authority to its chair to approve or ratify any related party transactions between committee meetings.

Stockholders Agreement

General

On October 15, 2013, the Company entered into a Stockholders Agreement (the “**Stockholders Agreement**”) with Seller. As discussed further below, the Stockholders Agreement provides certain rights to the Seller and Fortress with respect to the designation of directors for nomination and election to the Board, as well as registration rights for certain of our securities beneficially owned, directly or indirectly, by the Seller and Fortress and its affiliates and permitted transferees. As used in the Stockholders Agreement, “Fortress Affiliate Stockholder” means (i) any director of the Company who may be deemed an affiliate (within the meaning of Rule 12b-2 under the Exchange Act, except by reason of investment in the Company) of Fortress, (ii) any director or officer of Fortress, and (iii) any investment funds (including any managed accounts) managed directly or indirectly by Fortress or its affiliates. “Stockholders” includes the Seller, each Fortress Affiliate Stockholder and permitted transferees.

Our Stockholders Agreement provides that the parties thereto will use their respective reasonable efforts (including voting or causing to be voted all of our voting shares beneficially owned by each) so that no amendment is made to our Restated Certificate of Incorporation or Bylaws in effect as of the date of the Stockholders Agreement (i) that would add restrictions to the transferability of our shares by the Seller, any Fortress Affiliate Stockholder or their permitted transferees that are beyond those provided for in our Restated Certificate of Incorporation, the Stockholders Agreement or applicable securities laws or (ii) that nullify the rights set out in the Stockholders Agreement of the Seller, any Fortress Affiliate Stockholder or their permitted transferees unless such amendment is approved by such Stockholder.

In connection with the Purchase Agreement, the Company and Purchaser have agreed to a form of Amended and Restated Stockholders Agreement with similar terms to those contained in the Stockholders Agreement to be executed and delivered upon the consummation of the Private Sale, subject to fulfillment of the conditions described below. For more information regarding the Amended and Restated Stockholders Agreement, see the section of this Information Statement entitled “*Certain Relationships and Related Party Transactions—Amended and Restated Stockholders Agreement.*”

Designation and Election of Directors

The Stockholders Agreement provides that, for so long as the Stockholders Agreement is in effect, we and each Stockholder shall take all reasonable actions within our respective control (including voting or causing to be voted all of the securities entitled to vote generally in the election of our directors held of record or beneficially owned by such Stockholder, and, with respect to us, including in the slate of nominees recommended by the Board those individuals designated by Fortress) so as to elect to the Board, and to cause to continue in office, not more than six directors (or such other number as Fortress may agree to in writing), of whom, at any given time:

- a number of directors equal to a majority of the Board, plus one director, shall be individuals designated by Fortress, for so long as Fortress directly or indirectly beneficially owns, together with its affiliates and permitted transferees and giving effect to Fortress’ proportionate interest in shares of our common stock held by the Seller, at least 30% of our voting power;

- a number equal to a majority of the Board, minus one director, shall be individuals designated by Fortress, for so long as Fortress directly or indirectly beneficially owns, together with its affiliates and permitted transferees and giving effect to Fortress' proportionate interest in shares of our common stock held by the Seller, less than 30% but at least 20% of our voting power, provided that if the Board consists of six or fewer directors, then Fortress shall have the right to designate a number of directors equal to three directors;
- a number of directors (rounded up to the nearest whole number) that would be required to maintain Fortress' proportional representation on the Board shall be individuals designated by Fortress for so long as Fortress directly or indirectly beneficially owns, together with its affiliates and permitted transferees and giving effect to Fortress' proportionate interest in shares of our common stock held by the Seller, less than 20% but at least 10% of our voting power, provided that if the Board consists of six or fewer directors, then Fortress shall have the right to designate two directors; and
- a number of directors (rounded up to the nearest whole number) that would be required to maintain Fortress' proportional representation on the Board shall be an individual designated by Fortress for so long as Fortress directly or indirectly beneficially owns, together with its affiliates and permitted transferees and giving effect to Fortress' proportionate interest in shares of our common stock held by the Seller, less than 10% but at least 5% of our voting power, provided that if the Board consists of six or fewer directors, then Fortress shall have the right to designate one director.

In accordance with the Stockholders Agreement, Fortress has designated Messrs. Edens, Guthrie, Jacobs and Lott and Ms. Kotval.

Indemnification

The Stockholders Agreement provides that we will indemnify the Seller and its officers, directors, employees, agents and affiliates against losses arising out of third-party claims (including litigation matters and other claims) based on, arising out of or resulting from:

- the ownership or the operation of our assets or properties and the operation or conduct of our business; and
- any other activities we engage in.

In addition, we have agreed to indemnify the Seller and its officers, directors, employees, agents and affiliates against losses, including liabilities under the Securities Act of 1933, as amended (the "**Securities Act**"), and the Exchange Act, relating to misstatements in or omissions from the registration statement filed in connection with our IPO, and any other registration statement or report that we file, other than misstatements or omissions made in reliance on information relating to and furnished by the Seller for use in the preparation of that registration statement or report.

Registration Rights

Demand Rights. Under our Stockholders Agreement, each Stockholder (as such term is used therein) has, for so long as such Stockholder directly or indirectly beneficially owns, together with Fortress and its affiliates, an amount of our common stock (whether owned at the time of this offering or subsequently acquired) equal to or greater than 1% of our shares of common stock issued and outstanding immediately after the consummation of our IPO (a "**Registrable Amount**"), "demand" registration rights that allow the Stockholder, for itself and for Fortress and its affiliates and permitted transferees, at any time after 180 days following the date of the Stockholders Agreement, to request that we register under the Securities Act an amount equal to or greater than a Registrable Amount. The Stockholder, for itself and for Fortress and its affiliates and permitted transferees, will be entitled to unlimited demand registrations so long as such persons, together, beneficially own a Registrable Amount. We will not be required to effect any demand registration within one month of a "firm commitment" underwritten offering to which the requestor held "piggyback" rights, described below, and which included at least 50% of the shares of common stock requested by the requestor to be included. We will not be obligated to grant a request for a demand registration within one month of any other demand registration.

Piggyback Rights. Under our Stockholders Agreement, for so long as Stockholders (as such term is used therein) beneficially own a Registrable Amount and subject to certain other conditions, Stockholders have

"piggyback" registration rights that allow them to include the common stock that they own in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8 or pursuant to an employee benefit plan arrangement) or by any of our other stockholders that have registration rights. These "piggyback" registration rights will be subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

Shelf Registration. Under our Stockholders Agreement, we granted to the Seller or any of its respective permitted transferees, for so long as the Seller, together with Fortress and its affiliates and permitted transferees, beneficially owns a Registrable Amount, the right to request a shelf registration on Form S-3 providing for offerings of our common stock to be made on a continuous basis

until all shares covered by such registration have been sold, subject to our right to suspend the use of the shelf registration prospectuses for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12-month period) if we determine that certain disclosures required by the shelf registration statements would be detrimental to us or our stockholders. In addition, the Seller, for itself and for Fortress and its affiliates and permitted transferees, may elect to participate in such shelf registrations within five days after notice of the registration is given.

Indemnification; Expenses; Lock-ups

Under our Stockholders Agreement, we have agreed to indemnify the applicable selling Stockholder and its officers, directors, employees, managers, members, partners, agents and controlling persons against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which it sells shares of our common stock, unless such liability arose from the applicable selling Stockholder's misstatement or omission, and the applicable selling Stockholder will agree to indemnify us against all losses caused by its misstatements or omissions. We will pay all registration and offering-related expenses incidental to our performance under the Stockholders Agreement, and the applicable selling Stockholder will pay its portion of all underwriting discounts, commissions and transfer taxes, if any, relating to the sale of its shares of common stock under the Stockholders Agreement. We have entered into, and have caused our officers and directors to enter into, lock-up agreements in connection with any exercise of registration rights by the Seller, for itself and for Fortress and its affiliates and permitted transferees.

Observer Rights

Under our Stockholders Agreement, for so long as the Stockholders have at least 10% of our voting power, Fortress shall have the right to designate up to two non-voting representatives to attend meetings of our Board and committees of the Board.

The foregoing description of the Stockholders Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Stockholders Agreement, which has been filed as Exhibit 10.5 to OneMain's Quarterly Report on Form 10-Q for the period ended September 30, 2013, filed with the SEC on November 12, 2013.

Transactions with Affiliates

SpringCastle. During 2017, we received \$37 million in servicing fee revenue for servicing loans included in the SpringCastle Funding Trust 2016-A securitization and certain loan accounts beneficially owned by SpringCastle America, LLC, SpringCastle Credit, LLC and SpringCastle Finance, LLC that are not included in the SpringCastle Funding Trust 2016-A securitization. At December 31, 2017, the servicing fee receivable from the SpringCastle Funding Trust 2016-A securitization totaled \$3 million.

Subservicing Agreement. Nationstar Mortgage LLC ("**Nationstar Mortgage**") subservices the real estate loans of certain of our indirect subsidiaries (collectively, the "**Owners**"). Investment funds managed by affiliates of Fortress indirectly own a majority interest in Nationstar Mortgage. The Owners paid Nationstar Mortgage subservicing fees of \$1 million in 2017.

Investment Management Agreement. Logan Circle Partners, L.P. ("**Logan Circle**") provides investment management services for a portion of our investments. Logan Circle was previously a wholly owned subsidiary of Fortress. On September 15, 2017, Fortress sold its interest in Logan Circle to MetLife and, as a result, Logan Circle is no longer an affiliate of Fortress. Costs and fees incurred for these investment management services were less than \$1 million for 2017.

Asset-Backed Security Purchases. Certain affiliates of Apollo have entered into or will enter into, from time to time, ordinary course purchases of asset-backed securities issued by affiliates of the Company.

Share Purchase Agreement

On January 3, 2018, the Company, advised by Skadden, Arps, Slate, Meagher & Flom LLP, upon the recommendation and approval of the Transaction Committee and advised separately by Davis Polk & Wardwell LLP (as legal counsel) and PJT Partners LP (as financial advisor), entered into the Purchase Agreement with Seller and Purchaser. Pursuant to the Purchase Agreement, Purchaser agreed to purchase 54,937,500 shares of Company Common Stock beneficially owned by Seller at a purchase price per share of \$26.00, for an aggregate purchase price of approximately \$1,428,375,000 in cash. The Purchased Shares represented approximately 40.5% of the outstanding Company Common Stock, as of the Record Date. Purchaser will fund the Private Sale through equity investments by its limited partners, for which it has obtained written commitments. Upon the closing of the Private Sale, Purchaser will own approximately 40.5% of the outstanding shares of Company Common Stock on a fully diluted basis calculated based on the number of shares of Company Common Stock outstanding, as of the Record Date.

The Purchase Agreement contains customary representations, warranties and covenants in respect of each of the Company, Seller and Purchaser. No indemnification by the Company is contemplated by the Purchase Agreement. The completion of the Private Sale remains subject to various conditions, including, among others: (i) the receipt of certain regulatory approvals and consents, including receipt of approvals, licenses or consents from applicable state regulatory authorities governing consumer lending and insurance in the various states in which the Company or any Company subsidiary operates; (ii) the execution and delivery of the

Amended and Restated Stockholders Agreement; and (iii) subject to certain materiality exceptions, the accuracy of the representations and warranties made by the Company, Seller and Purchaser and the compliance by each of the Company, Seller and Purchaser with their respective obligations under the Purchase Agreement. The completion of the Private Sale is not subject to any financing contingency.

Seller and Purchaser have the right to terminate the Purchase Agreement under certain circumstances, including, among others: (1) mutual consent, (2) material uncured breach by the other party, (3) failure to consummate the Private Sale by August 3, 2018, subject to a possible two (2)-month extension for the receipt of regulatory approvals or (4) issuance of a final, non-appealable order of any governmental entity that makes illegal, restrains, enjoins or prohibits the consummation of the Private Sale or imposes any condition, limitation or qualification that, individually or together, would or would reasonably be expected to have a material adverse effect on the business, results of operations or financial condition of Purchaser and its Subsidiaries (as defined in the Purchase Agreement) (taken as whole) or the Sponsors (as defined in the Purchase Agreement) (taken as a whole).

The foregoing description of the Purchase Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement, which has been filed as Exhibit 10.1 to OneMain's Current Report on Form 8-K, filed with the SEC on January 4, 2018.

Amended and Restated Stockholders Agreement

General

In connection with the Purchase Agreement, the Company and Purchaser have agreed to a form of Amended and Restated Stockholders Agreement to be executed and delivered upon the consummation of the Private Sale, subject to fulfillment of the conditions described above. As discussed further below, the Amended and Restated Stockholders Agreement shall provide certain rights to Purchaser with respect to the designation of directors for nomination and election to the Board, as well as registration rights for certain of our securities beneficially owned, directly or indirectly, by Purchaser and its affiliates and permitted transferees.

Board Representation

Immediately following the Closing, the Board will consist of nine directors. Following the Closing, for so long as Purchaser (together with any Permitted Transferees (as defined in the Amended and Restated Stockholders Agreement) (Purchaser and any Permitted Transferees, collectively the "**Stockholders**")) beneficially owns:

23

- at least 33% of the outstanding shares of Company Common Stock and other securities of the Company entitled to vote generally in the election of directors of the Company (together, the "**Company Securities**"), Purchaser will be entitled to designate a number of directors equal to the majority of the Board, plus one director and in these circumstances the majority of the directors of the Board shall be independent (the "**Independent Directors**");
- less than 33%, but at least 20%, of the Company Securities, Purchaser will be entitled to designate a number of directors equal to the majority of the Board, minus one director, unless the Board consists of six or fewer directors, in which case, Purchaser shall be entitled to designate two directors to the Board;
- less than 20%, but at least 10%, of the Company Securities, Purchaser will be entitled to designate a number of directors proportional to its interest (rounded up to the nearest whole number), unless the Board consists of six or fewer directors, in which case, Purchaser shall be entitled to designate two directors to the Board; and
- less than 10%, but at least 5%, of the Company Securities, Purchaser will be entitled to designate a number of directors proportional to its interest (rounded up to the nearest whole number), unless the Board consists of six or fewer directors, in which case, Purchaser shall be entitled to designate one director to the Board. Purchaser's right to nominate directors to the Board may not be transferred to a subsequent third-party acquirer of its shares of the Company Securities. The size of the Board may not be decreased from nine directors without approval of the Independent Directors. The Company covenants to take all reasonable actions to cause to be elected, and to continue in office, such nominees of Purchaser.

Voting Obligations

Purchaser shall refrain from taking any action to remove, or voting in favor of the removal, from the Board, prior to the expiration of their existing term, three of the directors who are currently serving on the Board and who will remain on the Board following the Closing, in each case other than for cause.

Standstill Provisions

The "Standstill Period" shall mean the period beginning on the date the Amended and Restated Stockholders Agreement is executed and ending on the earlier of (i) two years from January 3, 2018 or (ii) such time as the Stockholders collectively have beneficial ownership of less than 20% of the Company Securities. The Stockholders agree that, during the Standstill Period, they shall not, and shall cause certain of their affiliates (such affiliates, "**Controlled Affiliates**"), and shall direct their representatives acting at their direction, and shall cause their affiliates' representatives acting at such affiliates' direction, not to, directly or

indirectly, as part of a “group” (as such term is applied under Section 13(d) of the Exchange Act), effect, or enter into any agreement to effect, (x) any acquisition of any Company Securities, or rights or options to acquire any Company Securities, in each case, whether or not any of the foregoing may be acquired or obtained immediately or only after the passage of time or upon the satisfaction of one or more conditions pursuant to any agreement, arrangement or understanding or otherwise or (y) any tender or exchange offer, consolidation, business combination, acquisition, merger or other extraordinary transaction involving the Company or a material portion of the assets of the Company, in each case without the approval of the majority of the Independent Directors who are disinterested and independent under Delaware law (the “**Disinterested Directors**”), in each case subject to certain exceptions. Beginning six months after the Closing, the Stockholders may purchase additional shares of Company Securities so that the Stockholders own, in the aggregate (including Company Securities previously owned by Purchaser and its affiliates), up to a maximum beneficial ownership of 52% of the Company Securities.

Matters Reserved for Approval of the Disinterested Directors

For as long as the Stockholders have beneficial ownership of at least 20% of the Company Securities, the following actions shall require the approval of the majority of the Disinterested Directors:

- any transaction or series of transactions between any Stockholder or any of their respective affiliates, on the one hand, and the Company or any of its subsidiaries, on the other hand, that could reasonably be expected to have a value in excess of \$30,000,000 (other than ordinary course purchases of asset-backed securities from the Company or any of its subsidiaries on arms-length, market terms in an amount not exceeding \$500,000,000 in any transaction);

24

- any enforcement or waiver of the rights of the Company or any of its subsidiaries under any agreement between the Company or any of its subsidiaries, on the one hand, and any Stockholder or any of their respective affiliates, on the other hand; and
- any management, monitoring, service, transaction or other similar fee payable to any Stockholder or any of their respective affiliates, with the exception of certain pre-approved transactions.

Until the third anniversary of January 3, 2018, each Stockholder agrees that it shall not, and shall cause each of its affiliates not to, directly or indirectly, alone or in concert with any other person, engage in any “Rule 13e-3 transaction” as defined in Rule 13e-3 under the Exchange Act without the approval of the majority of the Disinterested Directors. Until the second anniversary of January 3, 2018, each Stockholder agrees that it shall not transfer (or enter into an agreement to transfer), record or beneficial ownership of any Company Securities to a person or “group” (as defined in Section 13(d)(3) of the Exchange Act) without the approval of the majority of the Disinterested Directors. The Disinterested Directors may additionally approve the actions requiring Disinterested Director approval as described in “Standstill Provisions” above.

Registration Rights

Following 180 days after the Closing, the Stockholders will be entitled to customary demand and “piggyback” registration rights, subject to customary underwriter cutbacks.

Termination

The Amended and Restated Stockholders Agreement will automatically terminate on the date the Stockholders beneficially own less than the Registrable Amount.

The foregoing description of the Amended and Restated Stockholders Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amended and Restated Stockholders Agreement, which has been filed as Exhibit 10.2 to OneMain’s Current Report on Form 8-K, filed with the SEC on January 4, 2018.
